

A photograph of a tea set on a burlap tablecloth. In the foreground, a white teacup filled with dark tea sits on a matching saucer decorated with colorful leaf patterns. In the background, a white teapot with green leaf designs is visible, along with a small white tray containing several tea bags. A large, semi-transparent green leaf graphic is overlaid on the right side of the image.

HOTEL, RESTAURANT & CAFÉ
NATURSAN

Natursan is a brand of La Via del Tè, an Italian company of Florence, specializing since 1961 in tea and infusions, products that have recorded in recent years a strong increase in out-of-the-home consumptions. The Natursan range is specifically designed for cafes, bars, restaurants and hotels wishing to offer a tea selection of quality in line with the consumers' demand and enhance therefore the distinctiveness of their image.

The ritual and the details are part of the charm of this age-old beverage; this is why the service must be impeccable and professional and meet the needs of the different HoReCa situations. Natursan products includes tea bags in two different lines - Natursan Bio - **clear biodegradable pouches** and Natursan **classic** - and a selection of **loose leaf tea**.

The Art of Offering

Details are part of the charme of tea and make it a unique experience.

“There are few hours in life more agreeable than the hour dedicated to the ceremony known as afternoon tea.”

Henry James, *The Portrait of a Lady*

Samovars

To prepare a good tea, as well as quality raw materials you also need to use the right water, which can help to express the characteristics at their best without altering the flavour. It is advisable in fact to use a neutral water with a low dry residue.

The Samovar is an electric boiler equipped with a thermostat that makes it possible to regulate

the temperature of the water depending on the type of tea, for optimal enhancement of its characteristics.

The Samovar is practical and easy to use, as well being an eye-catching decor accessory to embellish the tea corner.
